SPRING '82

# BULLETIN MEMPHIS STATE UNIVERSITY

# If you're taking tough courses, you need all the help you can get.

If you've really done it to yourself this term, you need an advanced calculator you can count on through thick and thicker.

You need the most advanced functions and programming features. You need lots of pre-written programs to save you time. You need Continuous

Memory and the utmost in dependability. You need an HP calculator.

**The HP-34C.**  
All the help you can get.

Hewlett-Packard offers you eight different calculators priced from \$55\* to provide professional solutions in science, engineering and business.

So visit your nearest HP dealer for a hands-on demonstration. Then buy an HP calculator. It may be the last easy thing you do for a long time.

For details and the address of the dealer in your area, call toll free: (800) 547-3400, Dept. 265E, except Hawaii and Alaska. In Oregon, call 758-1010. (Or write Hewlett-Packard, Corvallis, OR 97330, Dept. 265E.)

\*Prices are suggested retail excluding applicable state and local taxes - Continental U.S.A., Alaska and Hawaii. 6/11/12

**HEWLETT  
PACKARD**

# Trade up.

If you have a \$10,000 job waiting for you, you could have an American Express® Card right now.

Trade the card you've been using every day for the Card you'll be using the rest of your life.

You're about to leave school and enter a whole new world. You've got great expectations. So does American Express. For you.

That's why American Express has created a special plan that reduces the usual application requirements—so you can get the Card before you finish school.

All you need to apply is a \$10,000 job or the promise of one.

You'll use the Card the wealthy and the well-

traveled use for business lunches, buying clothes for work, paying for vacations—for all sorts of after-school activities.

One of the surest ways to establish yourself is to start out as if you were already established. And just having the Card gives you the chance to establish a solid credit rating.

So trade up now. Just pick up an application form here on campus, or at a store or restaurant. Or call toll-free 800-528-8000 and ask for a Special Student Application. And set yourself up for next year before you finish this one.

**The American Express® Card.  
Don't leave school without it.**

# Pioneer. The name ever

## ENGLISH PLACEMENT ESSAYS

ENGLISH PLACEMENT ESSAYS will be administered on the following dates:

Testing Dates	Posting Dates
November 30 December 1	Thursday, December 3
January 5 January 6 January 7	Friday, January 8

For further information call the M.S.U. Testing Center, 454-2428.

Results will be posted in The Department of English and in the Center for Student Development, Scates Hall.

## COURSE NUMBER SYSTEM

Courses are numbered according to the following system:

1000-1999	Courses primarily for freshmen
2000-2999	Courses primarily for sophomores
3000-3999	Courses primarily for juniors
4000-4999	Courses primarily for seniors
6000-9000	Courses open <b>ONLY</b> to those students fully admitted to the Graduate School

## COURSE LOAD LIMITATIONS

	Under Graduate	Graduate
Minimum semester hours for full time	12	9
Maximum semester hours course load	18*	15

\*This does not include the required physical education activity course.

## ADMISSIONS PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after December 1, 1981, cannot be assured of registration before the first day of classes. Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to that date. Anyone failing to do so cannot be assured of being considered for admission.

### New Applicants

Applications for admission, detailed instructions concerning admission procedures, and regulations for all student levels may be obtained in the Admissions Office, Room 215, Administration Building. After 4:30 p.m. and on Saturday mornings, these may be obtained in Room 167, Administration Building, or by telephoning 454-2398.

### Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Undergraduate or graduate former students desiring to be readmitted may obtain an application for readmission from the Office, Room 167, Administration Building. Former undergraduate students entering Graduate School are not "former students" for readmission purposes. They are new graduate students who must be properly admitted to graduate school as new students.

**Graduate students who have not attended Memphis State in the past 5 years or longer must apply for readmission at least 3 days prior to Graduate Registration in order to complete registration on time.**

### Transferring Credit to MSU

In order for completed additional course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation of the additional course work be completed by the Transfer Affairs section of the Admissions Office. After the student has been admitted as a regular undergraduate, whether he is a beginning freshman or a transfer student, it is recommended that he consult with his adviser or the Transfer Affairs section of the Admissions Office if he anticipates enrolling at another college or university for the purpose of transferring credit to Memphis State University.

### Residency Classification

All determinations concerning classification of in-state and out-of-state students for fee-paying and other purposes are made in the Office of Admissions. The determinations are based on the regulations and guidelines of the State Board of Regents. Copies of the guidelines and regulations used in the classification of students for fee-paying purposes are available in the office of the Admissions Adviser for Residency.

### Persons Over 60 Years of Age and Totally Disabled Persons

Persons suffering from a permanent disability which totally incapacitates such person from working at an occupation which brings him an income, and persons who will become sixty (60) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may AUDIT courses at Memphis State without paying tuition charges, maintenance fees, student activity fees, or registration fees. Admission to AUDIT will be limited on an individual classroom basis according to space availability.

Any person who is totally disabled, and persons who will become sixty-five (65) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may enroll for courses for credit at the cost of \$16 per undergraduate semester hour, or \$21 per graduate semester hour, not to exceed \$75 per semester. The University Health Services shall examine certification of permanent disability (not the applicant) and determine the eligibility of the applicant under this legislation.

Inquiries concerning these programs may be addressed to the Records Office, Administration Building, Room 115, or telephone 454-2671.

## REGISTRATION PROCEDURES

### (1) CONSULTING WITH ACADEMIC ADVISER

#### Current Students

Current Memphis State University students are encouraged to see their academic advisers well in advance of registration, preferably during the preceding term when ample time can be given for general academic advising including assistance in selection of courses for the ensuing term. This is not always possible for new and returning students and for some current students. However, all students are required to have a class schedule with an adviser's signature prior to entering the registration center.

To find where an adviser will be located for assistance in class scheduling, go to the Adviser Locator Station in the Packet Center located in the Old Cafeteria of Jones Hall, when it is open, and in the Late Registration Center, during the late registration period. Please consult the registration calendar for dates and times these Centers will be open.

*During scheduled evening hours of late registration, advising is available in the Late Registration Center. During the day (9:00 am-4:00 pm) academic advising occurs in the academic department. Faculty advisers are generally available except when they are teaching. Assistance in locating an adviser can be obtained in the Office of the Department Chairman or in the Late Registration Center.*

#### Handicapped Students

Preferential scheduling is offered to some disabled students to allow them reasonable opportunity to plan around disability-related needs. Students eligible for this service include those with mobility impairments, visual or hearing impairments, dyslexia and others who must accommodate medical or educational needs arising from a disability. Attendants for handicapped students are also eligible.

Preferential scheduling is begun prior to regular registration. Students using this procedure should see their adviser, fully complete the "Student Schedule" form and take it to the Handicapped Student Service Office well in advance of the beginning of registration. The desired class cards will be pulled before registration opens and will be held on reserve in the Records Referral Center at Registration.

Handicapped students may go through registration at any convenient time **after** the appointment time assigned in the Registration Packet. After being cleared to register, they should proceed directly to the Records Referral Center and pick up their envelope of reserved cards. From there they must proceed through the regular line to complete registration.

If a student for whom cards are pulled in advance should for any reason decide not to complete registration, notification must be given to the Handicapped Student Service Office so that the reserved cards may be returned to the departments for use by others.

All reserved cards that are not picked up during regular registration will be transferred to the Referral Desk at Late Registration. Handicapped students may ask for a waiver of late fee on the basis of handicap if their cards were reserved in advance. However, students who can go through Regular Registration are encouraged to do so rather than going through Late Registration.

For further information and specific details, please contact the Director of Handicapped Student Services, 215 Scates hall, or call 454-2880.

### **New and Readmitted Students (Undergraduate)**

Freshmen and transfer students registering for the first time should attend a new student orientation session at which information concerning the registration and advising process will be given. (See Registration calendar for date and time.) All new freshmen students and transfer students without an academic major will be assigned to the Academic Counseling Unit, located in Scates Hall, and should go to the unit immediately after admission to the University to request the assignment of an adviser. Students who have not seen an adviser will be assigned one.

Students who have been readmitted and have selected a major should contact the department of their major for the assignment of an adviser. Readmitted students without a declared major should go to the Academic Counseling Unit. This should be done in advance of the first day of registration.

### **Evening (Undergraduate)**

New and Readmitted Undergraduate students **enrolling in evening and/or Saturday courses only** may obtain the required registration and advising information in the Evening Academic Services Office, Room AD 167.

### **Unclassified, Special Undergraduate, and Audit Students**

Undergraduate students who are unclassified, special undergraduate, or audit go to the Academic Counseling Unit, Scates Hall. Evening students in these categories go to the Evening Academic Services Office, Room 167, Administration Building for advising assistance.

### **New and Readmitted Students (Graduate)**

New Graduate School students are directed to an adviser following their admission. Students who are classified as Graduate Special or Graduate Provisional, should go to the Graduate School Office, Room AD 315, for an adviser.

Readmitted graduate students having a major should contact the department of their major for the assignment of an adviser. Readmitted graduate students not having a major should contact the Graduate School Office for an adviser.

Graduate students attending in the evening should follow the procedures outlined above.

## **(2) OBTAINING REGISTRATION MATERIALS**

The registration packet consists of four basic materials: (1) "Student Information Form," (2) "Registration Appointment Card," (3) "Registration Receipt," and (4) a permanent ID card.

### **Current Students**

Registration materials are mailed to the permanent address of all students currently enrolled, with the exception of those students having outstanding financial obligations at the time registration

materials are prepared, those suspended for academic reasons, those who are on academic probation, and those who have holds placed on their packets by a University office. When a hold is released, the student is given a release card which tells where and when to secure his packet.

### **New and Readmitted Students**

New and readmitted students who have cleared all admission requirements at the time registration materials are prepared, receive their materials by mail. Students not clearing in time to receive their materials by mail are given a chance to obtain materials before the actual day of registration and receive instructions on how to accomplish this.

## **(3) SECURING CLASS CARDS**

Students having their "Student Schedule," permanent ID card, and registration materials, are prepared to enter the Registration Center to obtain class cards and to pay fees.

**Registration appointment times** — Enter the Registration Center on the date and time printed in the upper right hand corner of the "Registration Appointment Card." Registration priority is based on cumulative hours earned. The student may enter at any later day time after his day appointment time or at any later night time after his night appointment time.

### **REGISTRATION PRIORITY**

Since all students cannot register at the same time, it is necessary to establish priorities in the assignment of registration times. Registration priority and the registration appointment times appearing on registration materials are based on the number of cumulative hours earned.

Registration materials must be prepared before the end of the term that immediately precedes registration. Appointment times do not reflect hours earned during the current term. For example, registration times for the spring semester are not affected by hours earned during the fall semester.

Registration priority and associated registration appointment times cannot be based on the need to work because such a large number of students do work. No practical or equitable way exists to administer a priority system on the criterion of a student having to work.

Unclassified students will be awarded registration appointment times on the basis of hours earned at Memphis State University only.

Seniors not holding an undergraduate degree who are taking degree credit courses have priority over special undergraduate students (those who hold degrees) when enrolling for undergraduate credit courses.

### **Special Courses**

**Credit/No-Credit Courses** — Certain students, **with permission from the dean of their college**, may elect to take some courses on a credit-no-credit basis. Details are found in the undergraduate *Bulletin*.

Procedures for registering are as follows: (1) Obtain permit form from academic advisor, complete information on the form, and secure advisor's signature; (2) Get permission of the dean of their college; (3) Go to the office of the chairman of the department in which the course is taught and secure his approval; (4) Obtain "Class Card Request" form; (5) Take completed permit form and "Class Card Request" to the Registration Center at the appointed registration time.

**Audit Courses** — The student must: (1) Obtain academic advisor's approval; (2) Go to the department in which course is taught and pick up "Class Card Request" form; (3) Take the "Class Card Request" to the Registration Center at the appointed registration time. Fees for audit courses are the same as for credit courses. Further details on audit courses are found in the undergraduate *Bulletin*.

#### **Late Registration**

Students registering during the day at the Late Registration Center must go to departments to obtain class cards. Cards are at the Center during evening late registration hours.

#### **ID CARD**

**ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, UNCLASSIFIED STUDENTS, ETC.**

The University issues to each student an identification card which bears his photograph, social security number, and certification that he is enrolled as a student in the University. The card is required for registration, the borrowing of library books, and other purposes. The card remains the property of the University and will be surrendered upon the request of a University official.

A current student who has lost his or her card may obtain a replacement from the Dean of Students Office, Room 208 Scates Hall. A student will be charged \$10.00 to replace a card that has been damaged, stolen, or lost. A charge of \$2.00 will be made to make any change in data on a card. Students unable to obtain an ID card at an off-campus or special registration must go to the Records Office to have one made.

Part-time students who are enrolled for at least six semester hours of credit courses will be given full-time ID card validation. ID card validation of full-time is for student activity purposes and does not necessarily constitute a full-time academic load.

For information concerning the number of hours required for a full-time academic load, consult the Memphis State University Bulletin.

A credit hour load equal to one-half of that for the minimum full-time credit hour load qualifies as half-time academic load.

#### **Returned Checks**

It is expected that a check given the University, for any reason, will clear the bank on which it is drawn. A \$5.00 service charge will be assessed for each returned check whether given in payment of any fee or cashed by the University for the convenience of the student. Check cashing privileges will be revoked for any student who has had checks returned by his bank more than once within a twelve-month period.

### **FEES AND DEPOSITS**

#### **Application Fee**

Each student submitting an application for admission to the University must pay, at the time he submits his first application, a one-time non-refundable fee of \$5.00.

International students pay an additional \$25. processing fee.

#### **Maintenance Fee**

All students, whether in-state or out-of-state, pay a maintenance fee. Students paying the fee for six or more hours are entitled to admission to home athletic events and certain health services, concerts, plays, social and other student-sponsored activities, and a subscription to the student newspaper, *The Helmsman*.

#### **Summary of Course Fees**

	<b>In State</b>	
	<b>Per Hour</b>	<b>Maximum</b>
Undergraduate	32	365
Graduate	42	443
Law (degree)	42	453
Law (non-degree)	54	
	<b>Out-of-State*</b>	
	<b>Per Hour</b>	<b>Maximum</b>
Undergraduate	98	1130
Graduate	108	1208
Law (degree)	108	1218
Law (non-degree)	120	

\*Out-of-state student fees include a maintenance fee which is charged each student plus an additional \$66.00 per hour or \$765.00 maximum.

Fees for audits will be assessed on the same basis as fees for credit courses. Courses offered between terms, for concentrated periods during a term, or at specific locations, may be subject to fees on a per-hour basis only.

#### **Activity Fee**

All students enrolled for one credit hour or more will pay a \$1.00 Student Activity Fee. The amount is \$1.00 regardless of the total number of hours for which the student is enrolled.

There is no activity fee during the summer terms.

#### **Tuition**

Students classified as non-residents are charged an **additional** \$66.00 per semester hour.

The Office of Admissions and Records is charged with the responsibility of assigning a residency classification to each student using regulations provided by the Board of Regents. The student may appeal the decision to the Committee on Residency. Residency regulations of the Board of Regents and information on appeals procedures are available in the Office of Admissions and Records.

**RESIDENCY CLASSIFICATION MAY BE CHANGED ONLY BY THE RESIDENCY ADVISER, OFFICE OF ADMISSIONS AND RECORDS.**

#### **(4) PAYING FEES**

**Students should not enter the Registration Center unless they are prepared to pay fees. Registration is not completed until fees are paid.** Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid, or billing authorizations for this term should stop at the "Scholarship" or "Authorized Billing" stations in the Fee Payment Center. Students will not have their names placed on the class rolls until after all fees are paid.

**Students may not register until all outstanding financial obligations have been cleared.**

### University College Fees

In addition to their \$5.00 application fee, students who apply to the University College must pay a screening fee of \$15.00, which is non-refundable. If accepted into the University College, the student must pay a non-refundable contract-advising fee of \$25.00.

Students who apply for credit for experiential learning will pay \$15.00 per credit hour granted after evaluation of their learning and assignment of credit. For those students who are enrolled under a group contract, no more than a maximum fee of \$90.00 will be assessed for credits assigned under the terms of the group contract.

### Courses in Applied Music

The fee of applied music is \$30.00 per semester for each one-half hour lesson.

### Music Locker Deposit

Music students are required to have a locker for storage of University-owned musical instruments or equipment. Personal instruments may also be stored in lockers. A deposit of \$3.00 for one semester or \$4.00 for two semesters is required on each locker issued. This deposit, less a service charge of \$1.50 per semester, will be refunded upon return of the lock. Students will be expected to pay for any damages.

### Automobile Registration

Each person who expects to operate and park any motor vehicle on the campus must pay \$5.00 for an official permit, valid from September through August, and register the vehicle in the Security Office (Room 151, Administration Building). A reduced fee of \$4.00 is charged for vehicle registrations after January 1, and \$2.00 after May 1. Proof of ownership must be presented when registering the vehicle. Residence hall occupants should ask for a special resident decal when registering their automobiles.

### Air Force ROTC Deposit

A uniform deposit of \$10.00 and a \$5.00 activity fee are required of each student who enrolls in the Army and Air Force ROTC program. The uniform deposit, less charges for uniform loss or damage, will be refunded at the end of the academic year or at the beginning of a semester in which the student is not enrolled in the ROTC program.

### Laboratory Deposits

Certain courses in chemistry require breakage deposits from \$10.00 to \$20.00 per semester, depending upon the course. Any unused portion of these deposits will be refunded.

### Physical Education Locker and Towel Fee

Students enrolled in physical education courses must pay a fee of \$4.00 for the locker and towel issued them. Students must provide their own lock.

### Late Registration

Students who do not complete registration (including the payment of fees) during the official registration period will be charged \$10.00 for any late registration following the official registration period.

### Adding and Dropping Courses

A fee of \$5.00 will be charged for each change of course form processed, regardless of the number of course or section changes included on the form.

### Transcripts

There is no fee for transcripts. However, the student will be charged \$1.00 for each official transcript over the maximum of five (5) per request. Transcripts are issued only at the request of

the student in person or by letter. No transcript will be provided for a student who has any unfulfilled obligation to the University.

### Diploma Fee

Each candidate for a degree from Memphis State University pays a \$20.00 fee to cover cost of the diploma, rental of cap and gown, and incidentals connected with the commencement exercises. This fee must be paid thirty days before graduation.

The listing of these fees in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect at the time he or she registers. Fees are subject to change without notice. Persons over 60 years of age and totally disabled persons should refer to the sections of this publication covering their registrations.

## STUDENT FEE REFUND PROCEDURES

### Maintenance Fees, Out-of-State Tuition, Music Fees

The following refund percentages apply to students who withdraw from the University or who drop to an hourly load below full-time.

1. 100% Refund: A full (100%) refund of fees will be made for courses cancelled by the University.
2. 75% Refund: The University provides a 75% refund of enrollment fees beginning at the moment of registration and extending for a period of time as noted in the term calendar for the semester.
3. 25% Refund: A 25% refund of enrollment fees is provided after the expiration of the 75% refund and concludes as noted in the term calendar for each semester.
4. 100% refund in case of death.

If a student withdraws during the 75% period, all of the student activity fee is refundable. There is no refund of the student activity fee after this period.

The University refund policy is based entirely upon the official date of the withdrawal or change of course which would result in a refund. Refunds beyond the specified date or percentage cannot be made for reasons such as employment conflicts, health or medical problems, moving out of town, or other reasons which are beyond the University's control or responsibility.

Note on the term calendar in the *Schedule of Classes* that the refund period ends **earlier** than the final deadline for dropping a course or withdrawal.

Refunds will be processed beginning approximately two weeks after classes begin and usually should be completed six weeks after classes begin.

### Appeal Procedures for Fees and Refunds

A student may appeal the assessment, application, calculation or interpretation of any University fee, charge, deposit, or refund, or any University action connected with fees and charges. Questions should generally be discussed with personnel in the Bursar's Office. If a student is not satisfied with the resolution made by the Bursar's Office, a written appeal, on forms available in the Bursar's Office, can be made to the Director of Finance; his determination may be appealed to the Vice President of Business and Finance; and his determination may be appealed to the President of the University. Traffic fines are subject to a separate appeal procedure.

### Credit by Examination or Placement Examination

The fee for taking an examination for credit is \$15.00 minimum and an additional \$5.00 for each credit hour over three; this fee must be paid prior to the examination. The same fee must be paid when an application for credit is made under the Credit by Placement Examination policy.

## (5) CHANGING ENROLLMENT STATUS

CHANGE OF COURSE APPLICATIONS ("ADD-DROPS") WILL BE PROCESSED ONLY AFTER THE REGULAR DATES OF REGISTRATION, COMMENCING ON THE FIRST DAY OF LATE REGISTRATION.

### Change of Course

After a student's registration is complete, he may change his class schedule by adding and/or dropping courses. APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE ACADEMIC ADVISOR. Time limits for add/drop are outlined in the semester calendar. A fee will be charged for each change of course transaction before it is processed. There is no charge for a change made as a result of the University cancelling a course.

Permission to add or drop a course after the deadlines shown in the calendar must be approved by the appropriate college dean.

Students who wish to discontinue attending and who are enrolled in one course only must withdraw, not drop the course.

**Schedule conflicts** — Each student is responsible for preventing conflicts in the scheduling of his classes. Students should check each class card which they are issued to insure that the course and section numbers, time and credit agree with what they requested.

Students will be assessed a "change-of-course" fee if it is necessary to make changes because of a scheduling conflict or because of having the wrong class card. Students should be careful to check the schedule for course offerings that might have been changed. Up-to-date information may be obtained during registration.

The University does not guarantee that the instructor listed in the Schedule of Classes will be the one to teach the course, and no fees will be waived accordingly.

University policy prohibits the waiving of the change fee when a course section has been closed and later reopened. The University reserves the right to cancel courses or sections.

### Withdrawal Procedures

Students may withdraw from the University by contacting the appropriate University official. ID's must be turned in to be invalidated.

- (1) Undergraduate Students—the Center for Student Development, Room 120, Scates Hall
- (2) Evening/Saturday Students—the Dean, Evening Academic Services, Room 167, Administration Building
- (3) Graduate Students—the Dean of Graduate Studies, Room 315, Administration Building

Time limits for withdrawals are stated in the Semester Calendar.

### Change of College or Major

Undergraduate students in the Colleges of Arts and Sciences, Business Administration, Communication and Fine Arts, Education, Engineering, and the University College may change their college or major by completing an application at the designated office of the college for the new major. These offices are as follows:

Arts & Sciences

Dean's Office — MI 219

Business Administration

College Advisor — BO 426B

Communication & Fine Arts

Dean's Office — MJ 300

Education

College Advisor — ED 211

Engineering

College Advisor — EN 259

University College

Dean's Office — JN G-1

Graduate students may change their major by making application in the Office of the Dean of Graduate Studies, Administration Building, Room 315.

### Change of Advisor

Students may change advisor by making application to the college in which they are currently enrolled. After being assigned an advisor, the student should come immediately to the Records Office.

### Change of Name, Address, or Social Security Number

It is imperative that the student keep his/her name and address current on University records. Opportunity for changing addresses is provided on the "Student Information Form" in the registration packet. In order to change social security number or name, the student must come to Room 119, Records Office, Administration Building. Students who move should leave a forwarding address with the post office so that all University mail will reach them at their new address.

*IMPORTANT: All changes should be made early in the semester to insure their processing before the next semester.*

## GRADE REPORTS

A grade report showing the grade received, credit hours earned, and quality points earned, are mailed to the permanent address of each student at the end of the semester. The grade report will show cumulative hours attempted, hours earned, and grade point average.

### Withholding of Grade Reports

The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. Previous semester grades which were withheld may be obtained (with the proper release card and identification) in the Packet Center or Late Registration Center, when these are open, and in the Records Office thereafter.

**THE RECORDS OFFICE WILL NOT RELEASE ANY GRADE EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY TELEPHONE.**

# **PRIVACY RIGHTS OF PARENTS & STUDENTS**

## **ANNUAL NOTICE TO STUDENTS**

Annually, Memphis State University informs students of the Family Educational Rights and Privacy Act of 1974. This act, with which the institution intends to comply fully, was designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Local policy explains in detail the procedures to be used by the institution for compliance with the provisions of the Act. Copies of the policy may be found in the following offices: Associate Dean of Admissions and Records (Records); Dean of Admissions and Records; University Counsel. The offices mentioned also maintain a Directory of Records which lists all education records maintained on students by this institution.

Questions concerning the Family Educational Rights and Privacy Act may be referred to the office of the Associate Dean of Admissions and Records (Records).

### **DIRECTORY INFORMATION**

"Directory Information" is defined as: The student's name, address, telephone listing, date and place of birth, major field of

study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous educational agency of institution attended by the student, the student's full or part-time status, and the student level. At the time a student registers for courses, the student may personally deliver to the Records Office, Room 115 (Attention: Assistant Director of Records) a written request that directory information not be released. This notification is effective only for the semester for which the student is then registering. Such information will then be withheld if the request is received within 14 days after the beginning of classes.

### **ACADEMIC STATUS AND RETENTION**

Official notification of academic status is by means of the grade report processed to each student at the end of the regular semester. A complete statement of the policy regarding academic status and retention may be found in the *University Bulletin*.

Specific questions concerning academic retention/suspension should be directed to the Evening Academic Services Office, Room 167, Administration Building, between the hours of 12:00 Noon-8:00 p.m. Monday through Thursday, and 8:00 a.m.-12:00 Noon on Saturdays.

Undergraduate students should be aware of new academic status and retention policies which are printed in the *Addendum to the Catalogs*, Section IV of this *Schedule*.

# CHEVY CAVALIER **THE ESCAPE HATCH**

## ***Escape to where you long to be.***

Here's the kind of engineering designed to take you miles away from the middle of the road. The 1982 Cavalier Hatchback. A brand-new car that owes its creation to innovation. Not imitation.

## ***Escape with the goods.***

Reclining front seats, power brakes, side and rear window defoggers and a remote hatch release (quite a remote feature on ordinary hatchbacks) combine with 38 other standard features to make the '82 Cavalier the most complete new car we've ever introduced.

On the technical side, innovations in front-wheel drive, aerodynamic design and operating efficiency help add

up to 43 Est. Highway/26 EPA Est. MPG.\* And engine buffs will be interested to know Cavalier's standard 1.8 Liter, 4-cylinder engine actually delivers more horsepower per liter than some highly regarded V8s.

## ***Plan your escape now.***

Your Chevy dealer can help put your escape plan in motion, starting with a test drive. Get inside. Drive it around the block. Then all that's left to do is to decide whether you want to buy or lease a new 1982 Cavalier. Whichever you choose, one thing's for sure:

You won't have any trouble at all adjusting to your new freedom.

\*Use estimated MPG for comparisons. Your mileage may differ depending on speed, distance, weather. Actual highway mileage lower. Calif. Est. Highway 42. Chevrolets are equipped with GM-built engines produced by various divisions. See your dealer for details.

# MAKE \$11,000 FOR COLLEGE WHILE YOU'RE GOING TO COLLEGE.

Want a part-time job that doesn't hurt your grades? Or campus life? Give your local Army Reserve unit a weekend a month and a couple of summers during college, and they'll give you over \$11,000 for college.

Up to \$4,000 in college aid is yours just for joining most units. Another \$5,000 for four years of monthly weekends and two-week summer stints. Plus over \$2,000 that you'll earn during two summer training periods. All while you're getting the most out of college. And doing the most you can part-time for your country.

You don't have to wait for college to join the Army Reserve. If you're 17 or older and a junior or senior in high school, join us now! There's no better part-time job in town.

Interested? Call your local Army Reserve recruiter. For the number, call toll free 800-421-4422. In California, 800-252-0011. In Alaska or Hawaii, 800-423-2244.

# Get a new slant on math.

"The Texas Instruments new TI-40 and TI-55-II calculators have angled displays for easy-to-see-answers."

The slanted display makes these calculators easier to use at arm's length—and that's just the beginning. The economical TI-40, with built-in functions like trig, stat, logs, roots, reciprocals and more, will help you through math and science courses—especially since it comes with the informative book, **Understanding Calculator Math**.

The book explains how to use the TI-40 to work through, and understand, common problems.

If you're an advanced math or science major, you'll be

more interested in the TI-55-II, which comes with the **Calculator Decision-Making Sourcebook**. The TI-55-II features 56-step programmability, multiple memories, scientific and statistical operations, conversion factors and much more—a total of 112 functions.

An extremely powerful calculator, at an excellent price. Both calculators have LCD displays, long battery life and fit right in your pocket.

TI-40 and TI-55-II calculators. Two new slants on math from Texas Instruments.

Look for them wherever calculators are sold.

# Succeed in business.

**"It's a lot easier with a Texas Instruments calculator designed to solve business problems."**

Touch a few special keys on these Texas Instruments calculators, the TI Business Analyst-II™ and The MBA™, and lengthy time-value-of-money problems suddenly aren't lengthy anymore. You can automatically calculate profit margins, forecast

sales and earnings and perform statistics.

And problems with repetitive calculations are a piece of cake for the MBA, because it's programmable.

These calculators mean business, and what they give you is time—time to grasp underlying business concepts, while they handle the number crunching. To make it even easier, each calculator comes with a book written especially for it, which shows you how to make use of the calculator's full potential.

The Business Analyst-II and MBA business calculators from Texas Instruments. Two ways to run a successful business major, without running yourself ragged.

**TEXAS INSTRUMENTS**  
INCORPORATED

The image features a man in a suit and glasses holding a Texas Instruments calculator. To his right are three books: 'Executive Calculator Guidebook', 'Quick Facts for Business', and 'The MBA'. Below these books are two calculators: 'The MBA' and 'TI Business Analyst-II'.

## Technics linear-tracking turntable. Program it to play any cut. In any order. Even upside down.

Technics direct-drive SL-15. It automatically plays the record selections you want and skips the ones you don't. It completely eliminates tracking error and is so advanced it can even play upside down.

The SL-15's microcomputer and infrared optical sensor let you play up to 10 cuts per side, in any order. Just press the program keys in the order of the selections you want to hear. And with the repeat button, the SL-15 can repeat the entire program or any selection.

The SL-15 performs virtually any function, automatically.

It accurately selects the record size and speed, finds the lead-in groove and begins playback at the touch of a button.

More proof of the SL-15's accuracy is its quartz-locked, direct-drive motor and dynamically balanced, linear-tracking tonearm. In addition to tracking perfectly, the SL-15 plays a record as accurately upside down as it does right side up.

Technics also offers other linear-tracking turntables, including our famous SL-10 and SL-7. Audition one and you'll agree when it comes to linear tracking, Technics is a cut above the rest.

# With so many Panasonic Microcassette recorders to choose from, how do you choose the right one?

## Talk yourself into one.

Nobody offers more different kinds of Microcassette tape recorders than Panasonic. We have them in all shapes and sizes. With so many

Make sure you choose Panasonic Microcassette tapes, too. Standard, metal or Angrom.

combinations of features.

And at many different prices starting under \$60\*. So how are you going to decide which one fits your needs?

The best way is to come into a store and talk to an expert. Yourself. Talk into a few Panasonic Microcassette recorders. Or talk into all of them. And after you hear your own thoughts on the subject, you'll know just which one to choose.

You might find that the RN-001D would be best for you. It records up to three hours on Panasonic Angrom™ tape (up to two hours on standard tape) of your best ideas, meeting notes, letters, lectures—whatever comes into your head. It fits your hand easily, comes with a digital tape counter and cue and review and costs surprisingly little.

RN-001D

For sheer style, you might prefer the RN-007, the world's thinnest Microcassette recorder, with a dual sensitivity microphone for screening out background noise.

Or, if you do like listening to voices other than your own, there's our RN-600, an AM/FM stereo Microcassette recorder with Ambience Sound.

And for very, very little, you can buy the little Panasonic RN-164, the perfect Microcassette tape recorder for everyone in the house.

No matter what you do, any of these or our other Panasonic Microcassette recorders can make it easier. The hardest thing

is to choose. But you don't have to take our word for it. Take your own.

\*Recommended price, actual price will be set by dealers. Microcassette tape and batteries not included.

# SCHLUMBERGER ENGINEERS DOWN TO EARTH

## EE's, ME's Physics & Geophysics

We don't fly into the earth, but we do explore it.

Just as the crew aboard a shuttle orbiter combines the latest technology and engineering training to explore space, a Schlumberger engineer uses the latest technology to evaluate subsurface formations. Special devices are lowered into wells drilled miles into the earth's crust. These earth probes operate under extreme environmental conditions to provide answers to the petroleum industry. Shuttle Orbiter? No. We use a half million dollar computerized mobile laboratory.

To investigate the possibility of you taking command of an Earth Explorer, interview with a **Schlumberger Engineer** at your College Placement Center.

**MINI COLLEGE PROGRAM**  
**Martha Armstrong, Coordinator**  
**Office: Suite 265 - Administration Building**

Move Into A New Identity (MINI) is a program for mature men and women who want to resume or begin their college education but are unable to attend classes under the regular schedule. The MINI College offers personal, individual handling of admissions and registration procedures and special classes and teachers to ease the trauma of becoming a college student. For more information, contact Mrs. Martha Armstrong at 454-2381.

# FINALLY, HOME STEREO IS GOING PLACES.

**THE GE HOME 'N GO STEREO.** Until now if you wanted home stereo sound, you had to stay pretty close to home. At GE we feel great sound shouldn't be so confining. Which is why we've developed the incredibly compact Home 'n Go stereo.

But don't let its small size fool you, Home 'n Go's speakers (5" woofers, piezo tweeters), AM/FM stereo radio (electronic LED tuning meter, AFC) and tape deck (normal and high bias switches, dual record meters) would all be right at home in more expensive units.

And like a true home stereo, Home 'n Go even has jacks for an extra set of speakers and a turntable.

So if you're looking for a home stereo that can also go places, look into the GE Home 'n Go. It's as at home outdoors as it is indoors.

**WE BRING  
GOOD THINGS  
TO LIFE.**

# SOUND REASONS WHY DELCO-GM IS THE LEADING AUTO SOUND SPECIALIST.

- 1. GM INSTALLS MORE AUTO SOUND SYSTEMS THAN ANYONE.**  
That gives us in-depth car sound experience no one can match.

- 3. OVER 200,000,000 SPEAKERS.**  
With 45 years' experience we've learned how to build speakers to withstand the severe automotive environment.

- 5. 15,000 DEALERS IN THE U.S. AND CANADA.**  
Your nearby GM dealer stands ready to service your Delco-GM sound system.

- 2. HIGH TECHNOLOGY.**  
Long a leader in auto sound systems, Delco-GM's list of firsts includes: the first Electronically Tuned Receiver (ETR™) with digital clock, the first car radio with integrated circuits and the first factory-installed car radio with Dynamic Noise Reduction (DNR™).

- 4. FACTORY-ENGINEERED SOUND HAS MANY ADVANTAGES.**  
Delco-GM sound systems are designed to be an integral part of the car. That means you get great sound to start with. No installation worries. No appointments to make.

- 6 & 7. YOUR OWN TWO EARS.**  
When you buy your new GM car or truck, ask your dealer for a Delco sound demonstration. You'll hear the best reasons to go with the auto sound specialists from Kokomo, Indiana—Delco Electronics Division of General Motors.

# Millington Center

## Naval Air Station At Millington

At the Naval Air Station in Millington, TN, Memphis State University offers courses applicable to undergraduate and graduate degrees. These courses are available to military dependents, civilian employees, active duty personnel, and local citizens of the community.

APPLICATION for admission deadlines: (a) **Regular:** December 1 (November 15 preferable so that transcripts from other schools will have time to arrive); (b) **Undergraduate Unclassified:** December 1 (if student wishes to receive registration material by mail rather than picking them up in person); (c) **Readmission:** See (b). Information pertaining to courses, admissions, and registration procedures is provided on base in Building S-51. For additional details, contact Ms. Maranell Khatel or Ms. Mary Quisenberry at the Navy Campus Office at 872-8115. REGISTRATION for courses taught on base: Tuesday, January 5, 5:30-6:30 p.m., in the Pat Thompson Recreation Center. Questions about current admission standing and specific admissions or readmissions requirements will be answered at 454-2101 (Admissions) or 454-2674 (Readmissions).

## INFORMATION ABOUT

### SUMMER 1982 COURSES

#### ADMISSION PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized.

Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to May 1, 1982. Anyone failing to do so cannot be assured of being considered for admission.

Any student who meets admission or readmission requirements after that date cannot be assured of registration before the first day of classes.

#### SUMMER TRAVEL/STUDY PROGRAMS

Each summer, the OFFICE OF INTERNATIONAL STUDIES assists different departments in the University in offering some travel/study programs, both within and outside the boundaries of the U.S. Several programs are being explored for next year. The programs listed below are tentative — the final description of program offerings will be published by the end of the Fall semester. If you wish further details on any of these programs, please use the request form printed at the end of this section. The information will be sent to you as it becomes available.

##### PRE-SUMMER SESSION

(May, 1982)

###### EUROPEAN ART TOUR

This popular program will be visiting four (4) European cities this year, including London, Paris, Rome, and Amsterdam (since The Netherlands will be the country honored during Memphis-In-May in 1982). The program will involve three weeks of travel viewing some of the major museums and art centers of the world. Participants may earn three (3) hours of credit in Art.

###### EUROPEAN THEATRE TOUR

This is a new program which will involve approximately sixteen (16) days in Rome and Paris in May. The program will begin with an on-campus orientation before departing for Rome and then Paris where students will gain some "hands-on" experience in intercultural communication. Three hours of credit will be available to participants.

##### FIRST SUMMER TERM

(June, 1982)

###### BIKING THROUGH THE UNITED KINGDOM

The Departments of History and Recreation are proposing a unique opportunity to see Great Britain on a biking tour which will last for approximately four (4) weeks. Plans are to stay in Youth Hostels along the way as participants visit London and some of the major cities in England. Six (6) hours of credit can be earned by the hearty participants of this exciting program.

##### SECOND SUMMER TERM

(July-August, 1982)

###### GREAT WESTERN TOUR

This annual program takes place in some of the major national parks in the Western U.S. and Canada. Six (6) hours of credit in History and Recreation can also be earned in this program during the four (4) weeks of this popular program.

## Addenda To The Catalogs

GRADUATE AND UNDERGRADUATE ISSUES 1981-1982  
MEMPHIS, TENNESSEE DECEMBER, 1981

*Memphis State University offers equal educational opportunity to all persons without regard to race, religion, sex, creed, color, national origin, or handicap. The University does not discriminate on these bases in the recruitment and admission of students, the recruitment and employment of faculty and staff, and the operation of any of its programs and activities, as specified by federal laws and regulations. The designated coordinator for University compliance with Section 504 of the Rehabilitation Act of 1973 is the Vice President for Student Educational Services.*

### Statement of New Undergraduate Admission Policy

Students applying as entering freshmen face an upgraded admission policy recently approved by the State Board of Regents. The new policy requires a composite score of 18 on the ACT examination or at least a "B" average in high school to be guaranteed admission to the University.

Those applicants with ACT scores of at least 16 or a "C" average in high school will be eligible for consideration with no guarantee of admission. Those falling within this group will be selected based on test scores and high school averages in addition to other available criteria, such as class rank, recommendations, evidence of special talents and abilities, etc.

### Academic Status and Retention Policy

The following minimum academic status and retention policy will become applicable for all undergraduate students at Memphis State University at the completion of the 1981 fall semester. The official grade report at the completion of the fall semester will indicate the student's academic status according to the new sliding scale retention policy.

This new retention policy will supersede the current sliding scale retention policy found on page 41 of the 1981-82 Undergraduate *Bulletin*.

### Academic Probation

A student will be placed on academic probation at the completion of any regular semester, term or summer session when his cumulative QPA falls below the following:

HOURS ATTEMPTED	MINIMUM QPA
14.99 and less	No minimum
15.00 to 29.99	1.12 - 1.51
30.00 to 50.99	1.53 - 1.80
51.00 to 67.99	1.81 - 1.98
68.00 or more	2.00

For numbers of hours attempted which are not in the table, the minimum QPA required will be based on each hour attempted. For each hour attempted from 15.00 through 68.00, a gradual

increase in minimum QPA is required. A student on academic probation who withdraws from the University during the first probationary semester will be "continued on academic probation." Withdrawal by such a student from any subsequent probationary semester will be treated as an academic suspension requiring clearance from the Academic Status and Retention Office for any future registration.

### UNDERGRADUATE ACADEMIC RETENTION SCALE

		68 and Above	2.00

The following statement replaces the statement regarding students who incur their first academic suspension, found on page 41 of the 1981-82 Undergraduate *Bulletin*.

A student suspended for the first time must remain out of the University for one regular term (i.e. fall or spring semester). A student suspended for the first time at the completion of the spring semester will no longer be allowed to enroll in the subsequent fall semester, after remaining out of the summer session.

The following statement is an addition to Section 6 of the 1981-82 Undergraduate Bulletin:

#### **Testing As A Prerequisite For Graduation**

Any or all students may be required to take one or more tests designed to measure general education achievement and/or achievement in selected major areas as a prerequisite to graduation, for the purpose of evaluation of academic programs. Unless otherwise provided for in any individual program, no minimum score or level of achievement is required for graduation. Participation in testing may be required for all students, for students in selected programs, and for students selected on a sample basis. (SBR 3-27-81)

The following was approved by the University Graduate Council on October 1, 1981:

#### **GRADUATE PROVISIONAL AND PROBATIONAL STUDENT ENROLLMENT**

The enrollment of Graduate Provisional or Probational students in the Pre-Summer session will not be permitted beginning with the Pre-Summer session of 1982.

---

The following courses were approved for inclusion in the offerings of the University after the 1981-82 Catalog issue of the *University Bulletin* had been sent to the printer. Their publication here constitutes the official announcement of their addition to the University curriculum.

# UNIVERSITY COLLEGE

## **UNIVERSITY 3505. THEMATIC STUDIES. (6 credit hours) ROCK MUSIC CULTURE.**

This course is a survey of rock music and associated phenomena as expressions of significant cultural change over the last quarter century. The University College class will offer lectures and discussions with recorded examples on Monday nights, covering the historical development of rock and roll music. Wednesday evening classes will be special enrichment sections that provide background to the historical discussions or examine special phases or byways in the history of this music not otherwise covered on Monday nights. University College students will be required to submit two term papers. A mid-term and final examination will be given.

## **UNIVERSITY 3510. THEMATIC STUDIES. (6 credit hours) HISTORY OF MODERN WESTERN THOUGHT.**

This course will trace the development of Western thought from the breakdown of the medieval synthesis to the twentieth century. It will explore the central ideas and issues of Western thought by studying major philosophical works and by examining other forms of cultural expression, such as art, literature, religion, and science. Special emphasis will be placed on the relationship between philosophical thought and general cultural attitudes. The course will thus seek to compare different ways of approaching and analyzing similar

issues and concerns. The course will also examine the influence of the philosopher on his culture and of the culture on his philosophy.

## **UNIVERSITY 3514. THEMATIC STUDIES. (6 credit hours) COMPUTER LITERACY WITH APPLICATIONS.**

This course is designed for the liberal arts major with a minimum prerequisite of a single college level course in mathematics. The course has two goals:

1. Enable the student to become comfortable with the hands-on use of modern, office type computing equipment. The student will become accustomed to utilizing the equipment both as a stand-alone computer and as a terminal, communicating with some of the major data banks and the University computer center.
2. Expand the student's mind and level of awareness in the best sense of the liberal arts tradition. This course is a broad survey of the full spectrum of computing in our modern society and is definitely not a science or mathematics course. The viewpoint of the course values the cultural, artistic, societal, organizational, and psychological aspects equally with the engineering, mathematical, theoretical and scientific aspects.

Students will prepare special out-of-class learning contact with instructor and field supervisor at the student's place of employment.

## **INDEPENDENT PROGRAMS**

### **UNIVERSITY HONORS PROGRAM**

#### **UNHP 3204. JUNIOR HONORS COLLOQUIUM II, THE PEOPLE'S REPUBLIC OF CHINA. (3)**

**“I still can’t decide Adams. Perhaps I’ll put my Jensen J2000’s in the library.”**

Jensen® J2000 Mini-Speaker systems sound so good, in so many small spaces, you may decide to put them everywhere.

Sleek, bronze and beautiful, J2000’s fit snugly in any compact surroundings. A boat’s cabin, a living room shelf, a van wall, even the rear deck of a car.

But, more importantly, the J2000’s mini size doesn’t keep it from delivering maximum sound performance.

Housed in an acoustically optimized cylinder

is a long throw woofer, coupled with a unique passive radiator. Together they provide bass response never before heard in this type of speaker system.

A high frequency driver completes the J2000 assembly, for remarkable performance across the entire audio spectrum.

# The cure for pollution is people. Working together.

Our streets and countryside have become dumping grounds for trash. But all across America, people are now recycling 8 million tons of it a year.

We create staggering amounts of garbage. But in Virginia Beach, they turned a mountain of garbage into a recreational hillside.

# THE NEW AE-1 PROGRAM

## Nobody has been able to make fine photography this simple. Until now.

There has never been a high quality 35mm SLR camera as simple to use as the Canon AE-1 PROGRAM. That's why people who don't have time for complicated cameras, like professional tennis star Tracy Austin, carry it with them wherever they go. And you should, too.

Indoors or out, day or night—in any light—the AE-1 PROGRAM is designed to give you perfect pictures automatically. You just focus and shoot. Really. When set on "PROGRAM" the advanced electronics inside provide total automation, so you can concentrate on your subject.

For action photography, there's also shutter-priority automation, which lets you choose a speed fast enough to "freeze" moving subjects while the

camera's electronic brain automatically adjusts the lens opening for the lighting conditions.

Flash photography is totally automatic as well, and with the new Canon Speedlite 188A with built-in exposure confirmation, you can tell you've gotten a perfect flash picture before removing your

eye from the viewfinder!

There are new and exciting accessories that add even more versatility. The Power Winder A2 provides single-frame and continuous motorized shooting at up to two frames-per-second. Or, for really fast action, you can add the Motor Drive MA for up

to 4 fps. rapid sequence shooting.

There are eight interchangeable focusing screens and nearly fifty Canon FD lenses that fit the AE-1 PROGRAM. So you can shoot a wide-angle panorama, do candid portraits or use a Canon zoom lens to really reach out and bring your subjects up close. Best of all, when you add any of these exciting accessories, shooting is still automatic. And just as simple.

Ask your Canon dealer to show you the camera that makes fine photography simple. The new Canon AE-1 PROGRAM.

It's one more reason we're the world's leader in 35mm photography.
